

I RISE AND SHINE

WITH ARENA MULTIMEDIA CERTIFICATE COURSES

III BE A PROUD INDIAN BY CONTRIBUTING TO THE WORLD REVOLUTION

The rich Indian culture with its valuable heritage of art has left a mark all over the world. The carvings of Khajurao & the intricate designs of the Tajmahal have fascinated the world. The contribution of Indians in changing the face of the world has been consistent in all the ages starting from Vedas & Gautam Buddha to yoga & meditation. If Indian philosophers like Swami Vivekanand, & poets like Rabindranath Tagore were acknowledged by the world in the past then the present day achievers like Sabir Bhatia, Shahnaz Hussein Sachin Tendulkar--- have equally made us proud. How can India be left behind when the computers have taken the world by storm leaving no aspect of our life untouched? You too can make your contribution in this revolution by being a part of it.

II. ENJOY THE BENEFITS OF TECHNOLOGY IN YOUR DAILY LIFE

Keep in touch with the latest technological wonders in the easiest possible manner through our various courses that will help you to achieve speed, quality, variety & convenience in your profession, be it selling of grains or garments, running a tailor shop or for elections, designing jewelry or houses or examining patients. Chat with your relatives all over the world everyday, get valuable information for your children that no volumes of books can provide or just indulge in your hobbies of painting & card-making in a novel way by choosing from our various courses--the choices are unlimited for anyone and everyone & the only qualification needed is the desire to be the part of future & the will to master your attitude, so that you can walk hand-in- hand with the changing times to be the rising sun that the world wants to salute.

III REMOVE THE DARK PATCHES OF MISCONCEPTION

I AM OLD OR TOO YOUNG-----Age is no bar to walk with the world

I DON'T KNOW ENGLISH-----The world today speaks a new language

I AM NOT QUALIFIED----- you don't need a degree to grow.

I AM POOR IN MATEMATICAL EXPRESSIONS----- it is not necessary to be computer-literate

I CAN'T AFFORD THE EXPENSIVE COMPUTER COURSES----- we prove that wrong!

IT IS USELESS FOR ME, AS I DON'T NOW WHERE TO APPLY IT—you will see it's various day-to-day life applications after learning it.
